

Overview Hotel Accomodation Klagenfurt

We have blocked a contingent of several rooms in the following five hotels in Klagenfurt. They are vary in quality and price but are all relatively close to the wedding locations. Due to two major events on this weekend the availability of rooms in the area is limited.

Please book the respective room in the hotel referring to the code word "Wedding Walther / Hochzeit Walther" until the given deadline. The special rates are only available when you book directly with the hotel (not on booking platforms). After this deadline the reservation will be released.
